

Computer Classes

Winter 2018

Oldham Public Library

<i>Class</i>	<i>Description</i>	<i>Date & Time</i>
Canva & Piktochart	Step-by-step instruction with online programs to create flyers, infographics, posters, business cards, and more. <i>You will create a flyer during class using your new design skills</i>	Tuesday 1/30/18 1-2:30pm
Computer and Internet Basics	Hands-on assistance with the basics of computer use and the internet. We will talk about computers, the mouse, and keyboard then walk through frequent tasks and useful skills. <i>You will finish this class with stronger skills for operating a computer and navigating the internet.</i>	Patrons may come for more than one session! Thursday 1/11/18 10-11:30am Thursday 1/11/18 6:30-8pm Wednesday 1/17/18 10-11:30am Wednesday 1/17/18 6:30-8pm
eBooks	Hands-on help with eBooks and eBook apps	Tuesday 1/30/2018 10-11:30am
History Hobby	The Smithsonian has hundreds of online historic documents and is asking for help transcribing and adding information. In this class, we will explore how you can read and help transcribe artifacts such as letters, diaries and reports. Requires basic computer skills. <i>After this class, you will be able to assist with adding information to digital historic documents.</i>	Monday 1/29/18 6:30-8PM
Information & News	What is real news? Discuss some of the best strategies for finding and evaluating useful information.	Monday 1/8/2018 10-11:30am or 6:30-8pm
Pinterest	Learn some tips and tricks for Pinterest, a free website for pictures and ideas. Pin some favorite ideas just in time for the holidays! <i>After this class, you will be able to search, add and save pictures and links in Pinterest.</i>	Monday 1/22/2018 2-3:30pm Monday 1/22/2018 6:30-8pm
Resumes	Learn how to highlight your skills, experience and education to create an effective resume.	Saturday 1/6/2017 9:30-11am or 2-4pm Friday 1/26/2018 9:30-11am or 2-4pm Saturday 1/27/2017 9:30-11am or 2-4pm
Tablet Computer Fun	Learn the basics and some fun tools, including the camera, apps, security and tweaking your own device settings.	Friday 1/26/2017 Noon – 1pm Saturday 1/27/2017 noon – 1pm

- Participants may bring personal device to use during class or use library computers.
- **Sign-ups are preferred.** Walk-ins will be welcome as long as there are enough computers.
