

# Preschool Ages 3 & up

Color an animal each day that you read together. Each 5 days of reading = 5 beads and a brag tag. When all 25 days are completed, you've earned a book prize that can be picked up at your library! Come in to the library each 5 completed days to pick up your beads & brag tags or wait to submit the full completed log and claim your prizes together. Will your child be entering kindergarten this fall? Ask about our special Countdown to Kindergarten events!
