

# Wee Reader Ages 2 & under

Each day that you share books with your little one, check off a book on the log below. When you have filled your reading log, bring it to your local library to pick up a prize book to keep! Check out pages 34-47 of this booklet for more early literacy activities you can do with your child this summer!

Visit [bit.ly/srp21](http://bit.ly/srp21) when 25 days of reading are complete for more information about prizes!
