What better time to curl up with a good book than during the cold winter months? This January & February your cozy reading can also earn you prizes! Keep track of what you read on this log and then turn it in to any OCPL location by March 1st and earn one prize entry for each book you complete. Audiobooks, ebooks, magazines, and newspapers count too! Grand prize drawings include a new iPad Mini. Patrons can submit more than one reading log- just grab another when you're at the library or download from www.oldhampl.org/WRP. Feel free to decorate and color your sheet! We can't wait to see your creativity.

Oldham County
PUBLIC LIBRARY

The Winter Reading Program is open to all Oldham County Public Library patrons ages 18+.
